

# Percentages

Suzy is making an arrangement of 50 flowers. 12 out of the 50 flowers she chooses are yellow. This is the same as 24 out of 100. So 24% are yellow.

Then she chooses 15 orange flowers. This is the same as 30 out of 100. What percentage of the flowers are orange?

- ★ Collect 50 multilink blocks of different colours.
- ★ Arrange them in towers of 10
- ★ How many red blocks have you got?
- ★ What percentage is this?
- ★ Work out what percentage of the towers the other colours are.

## Challenge

Can you work out what the equivalent decimals and fractions to these percentages are?
