

THE KITCHEN ACTIVITY

Mr and Mrs Smith have decided to refit their kitchen. They have been along to 'Bobby Bell's Kitchen Centre' to look at kitchen furniture and accessories.

Mr Smith says that he will pay 60% of the total cost, as long as it costs him no more than £420.

What is the most that the kitchen can cost? _____

This is a plan of the kitchen –

The Smiths need the following basic equipment for their kitchen

- 3 Kitchen Cupboards
- 1 Cooker
- 1 Sink unit with taps

How much will it cost the Smiths to buy the basic equipment they need?

BOBBY BELL'S KITCHEN CENTRE	
PRICE LIST	
Cupboard	£ 59.00
Cooker	£149.99
Sink Unit	£79.99
Taps	£12.50
Dishwasher	£99.99
Washing Machine	£140.00
Fridge/Freezer	£115.00

How much money do the Smiths have left to spend on other items for their kitchen?

Round your answer to the nearest £10

Will this be enough to buy a washing machine, a fridge freezer and a dishwasher?

How much money will be left over or how much will they have overspent?

(Show your working out)

Bobby Bell's Kitchen Centre is having a sale next week, reducing all the prices of kitchen equipment by 10%. **Recalculate the new prices of the items.** *How much would Mr and Mrs Smith spend on their basic equipment now?*
