

Name _____ Date _____

Look at the chart and use it to answer the questions.

This chart shows how many GOLD STARS this group of children have earned.

Write how many stars each one has:

BOB	SUE	TIM	LEE	PAT

Who has the most stars?

How many more stars has Pat earned than Tim?

Who has the least number of stars?

How many stars have Bob & Sue got altogether?

The children earn a certificate for every four stars – how many certificates do they have between them?
