Data for graphs:

Peter asked 50 people in each of the groups below which T.V. program they MOST the liked to watch.

_____ group → Draw a bar graph for each group.
_____ group → Draw a bar graph and line for each group.
_____ group → Draw a bar graph and line for each group
AFTER you have completed the table.

	The News	Eastenders	Neighbours	Who Wants to be a £1000000	Match of the Day	The Simpsons
Boys	3	7	7	9	10	14
Girls	5	10	9	6	5	15
Mums	11	15	5	10	6	3
Dads	15	9	2	16	8	0
Nans	9	4	16	18	1	2
Grandads	14	7	4	10	14	1
Teachers	12	7	6	10	14	1
TOTAL						
MEAN						
MODE						
RANGE						
MEDIAN						

MEAN   find the total and then divide by the number of groups.
MODE   the most fashionable one – the one that appears most often.
MEDIAN   the middle of the rank ordered list.
RANGE   the top and bottom values.
