N1/L1.1, L2.1 read, write and order positive and negative numbers (omit negative numbers for level 1).
 Print on coloured paper and laminate. A. Use as a matching game. B. Use cards from either page 1 or page 2 to practise ascending and descending order (it helps if students line them up in 'steps' rather than straight columns). C. Combine A&B i.e. match and place in ascending or descending order.
