

Working with Money

These worksheets will help you...

- ◆ become more confident when dealing with money.
- ◆ check that you have been given the correct change in shops.
- ◆ make good use of supermarket leaflets and work out the costs when buying more than one of an item.
- ◆ improve your reading and computer skills by checking out some supermarket web sites.

You will need...

- ◆ A current "Special Offers" leaflet from your local supermarket. For example Somerfield, Asda, Tesco, Sainsbury or Budgens.

Other useful aids...

- ◆ You may find it helpful to have a supply of money! The real stuff is best, but for a good alternative try Coin Cards - produced by Pictorial Cards Educational Trust. Tel: 0181 567 9206. 25 Kirchen Road, London. W13 0UD.
- ◆ Access to the Internet - some suggested supermarket sites are listed below.

<http://www.tesco.com>

OK for general browsing but no good for viewing special offers or prices unless you go through a long registration process for their online shopping.

<http://www.j-sainsbury.co.uk>

Click on "This Week's Offers" from menu.

<http://www.budgens.com>

Good for viewing special offers, but no pictures.

<http://www.somerfield.co.uk>

Great for viewing special offers and matching photographs. Click on "Savings In Store" to view their current leaflet.

Adult Numeracy. Levels E1 / E2

Measures, shape and space - Common Measures. MSS1/E1.1 Recognise and select coins and notes. MSS1/E2.1. Make up amounts of money to £1 in different ways using 1p, 2p, 5, 10p, 20p and 50p coins. MSS1/E2.2. Calculate the cost of more than one item and the change from the transaction, in pence or in whole pounds.

Plus aspects of **Literacy (Levels E2/3)** - scanning leaflets for information, using web sites for information, etc.

1) How many ways can you make up a pound?

◆ For example:

a) 2 x 50p pieces = £1.00

b) 5 x 10p pieces and 1 x 50p piece = £1.00

There are lots of other ways of making up a £1.00. See how many you can find. You may find it helpful to use real money, money cards or sketch quick pictures.

How many ways can you make £1.00?	How many of each coin did you use? Put the number in the box.						Check?
	1p	2p	5p	10p	20p	50p	
Example a) - see above	0	0	0	0	0	2	
Example b) - see above	0	0	0	5	0	1	

- ◆ Now try adding some of your own examples to the table below.
- ◆ Discuss your answers with your tutor.
- ◆ You could check each line with a calculator - think about the best way to do this.

	1p	2p	5p	10p	20p	50p	Check?

2) Supermarket Bargains. How many items can you buy for £1?

Have a look through a recent "Special Offers" leaflet from your local supermarket. Do you see any bargains? If you don't have a leaflet - use the one on page 5.

- ◆ You have £1.
- ◆ What could you buy and how much change would get if you gave the cashier a £1 coin?

- a) Idea 1. You could buy a box of Shredded Wheat (99p). You would get 1p change.
- b) Idea 2. You could buy some bread rolls. The soft bake baguettes are only 49p for a pack of 4 - so we could buy two packs. This would cost $2 \times 49p = 98p$. So we would get 2p change.

◆ Write some other ideas here:

Start with ...	What you are buying.	How much does it cost for one?	How many are you buying?	How much altogether?	Change?
£1.00	Shredded Wheat	99p	1	99p	1p
£1.00	Soft bake baguettes 4 pack	49p	2	98p	2p
£1.00	Muller Rice	27p	1	27p	73p

3) Working out change

- ◆ **The exercises (used with the poster on page 5) below will help you practise working out change.**
- ◆ **Different people use different methods - find one that works for you! Try "counting on" until you get to the nearest whole pound - or discuss other methods with your tutor.**

- ◆ **You have a £1 coin. How much change will you get when you buy the following items?**

- a) 2 Jars of Golden Shred Marmalade. Cost _____ Change from £1 _____
- b) 1 Pack Premium Lincolnshire Sausages Cost _____ Change from £1 _____
- c) 1 Muller Fruit Corner Cost _____ Change from £1 _____
- d) 2 Muller Fruit Corners Cost _____ Change from £1 _____
- e) 1kg Granny Smith apples Cost _____ Change from £1 _____
- f) 2 cans Princes tuna Cost _____ Change from £1 _____
- g) 1 pack Scotch pancakes Cost _____ Change from £1 _____
- h) 2 packs Scotch pancakes Cost _____ Change from £1 _____

- ◆ **You have a £2 coin. How much change will you get when you buy the following items?**

- a) 1 pack beef burgers. Cost _____ Change from £2 _____
- b) 2 packs Potato Fritters. Cost _____ Change from £2 _____
- c) 2 bags of apples. Cost _____ Change from £2 _____
- d) 1 pack cherry tomatoes. Cost _____ Change from £2 _____
- e) 6 Muller fruit corners Cost _____ Change from £2 _____

- ◆ **You now have a £5 note. How much change will you get when you buy the following?**

- a) 1 bottle of wine. Cost _____ Change from £5 _____
- b) 1 packet Typhoo tea bags Cost _____ Change from £5 _____
- c) 2 packets of tea bags. Cost _____ Change from £5 _____
- d) 1 bottle of wine and 2 jars marmalade Cost _____ Change from £5 _____
- e) 1 bottle of wine and 1kg apples Cost _____ Change from £5 _____

4) Exploring Supermarket Web Sites

Somerfield: <http://www.somerfield.co.uk>

Take a look at the Somerfield web site (address above - remember to put it in your favourites). If you have a current Somerfield leaflet you should be able to find the special offers in the leaflet on their web site too.

Tip: You will need to click on MEGADEALS or "Savings In Store" to find them. Then ... click on the different headings to find the products.

Which headings would you need to click on to find the following products? (Some of these items may not be on special offer but you should be able to work out which heading you would find them under).

- | | |
|---------------------------------|-------------------|
| a) (example) Muller Rice | Chilled section |
| b) Yoghurts | _____ |
| c) Fresh meat | _____ |
| d) Wafer thin ham | _____ |
| e) Washing powder or tablets | _____ |
| f) (example) Colgate toothpaste | Household section |
| g) Imperial Leather shower gel | _____ |
| h) Chilled premium sausages | _____ |
| i) Frozen mixed vegetables | _____ |

How many different sections did you find on the web site or leaflet? List them below (frozen, household, chilled, etc.).

- | | |
|----------|----------|
| a) _____ | e) _____ |
| b) _____ | f) _____ |
| c) _____ | g) _____ |
| d) _____ | h) _____ |

5) Blank worksheets - the following two pages contain blank worksheets based on previous exercises. They can be adapted to a wide variety of abilities and tasks. You will also need a variety of "Special Offer" leaflets (or price catalogues) and possibly plastic money or coin cards. Calculators optional!

How much change will you get when you buy...?		
What you are buying...	Cost	Change
You have a £1 coin. How much change will you get when you buy the following items?		
You have a £2 coin. How much change will you get when you buy the following items?		
You now have a £5 note. How much change will you get when you buy the following?		
You now have a £10 note. How much change will you get when you buy the following?
