

**Fractions of measurements**

Name

Date

Copy and complete this table in your book. Choose the correct unit of measurement to work in. You could use millimetres or centimetres. Don't forget to round your answers.

Object	Length	$\frac{1}{4}$	$\frac{1}{3}$	$\frac{1}{5}$
Teacher's desk	160 cm	40 cm	53 cm	32 cm
Exercise book				
Pencil				
Maths tray				
Table top				
Chair				
Window				
Door				

- Check your answers with a calculator when you have finished.
- If you have time measure and fraction some other objects in the classroom.
